

Tens and Ones Scavenger Hunt

Look up for numbers that match the given statements below in magazines and newspapers. Cut them and stick them on the grid.

0 in the ones place	
2 in the tens place	
5 in the tens place	
4 in the ones place	
3 in the ones place	
1 in the tens place	
8 in the ones place	
7 in the ones place	

Write your favourite number in the box below.

How many tens are there in your favourite number?

How many ones are there in your favourite number?

What is ten more than your favourite number?

Draw a picture (Ex: use base 10 blocks) to represent your favourite number.
