

# TALLY CHARTS

James really likes cars. He created a tally chart about the different colours of cars parked in a car park.

Help James fill the tally chart below.

Colour of Car	Tally	Frequency
Black		
White		
Red		
Green		
Blue		

James lives in a very busy street. He decided to take note of the colour of cars passing in front of his house, during a particular hour. He created the tally chart below.

Can you fill in the blanks in his tally chart?

Colour of Car	Tally	Frequency
Black		
White		12
Red		
Grey		11
Purple		
Green		6
Orange		
Blue		8
