

## The Art Day Schedule

Jo, who is the president of the School Council, is asked to schedule an Art Day for his class.

There will be 3 stations:

1. Painting
2. Pottery
3. Chalk Art

The Head of school has given Jo the following criteria before scheduling Art Day activities:

- The day starts at 9:00am and ends at 2:00pm.
- The entire class will rotate through the three stations together.
- The break has to be at least 10 minutes long.
- The break and lunch time together total 1 hour.
- The 3 stations (Painting, Pottery and Chalk Art) do not need to be the same amount of time long, but each of the activities should take at least 30minutes to complete.

Jon needs your help to prepare the schedule for his class on Art Day.

Keep the criteria given above to fill in the table below.
